For many years through our own "POPS" Fund we have supported The Samaritan Center. This interfaith, nonprofit organization has operated the shelter since 1993, providing support for many homeless families in our county.

Let's all come out together with our community on November 4th, for a delicious bowl of soup to support this much needed ministry. Any questions, please call Roz James, Chairperson at 772- 794-0061.
