

PSYCHOLOGY BENEFITS AUTHORISATION AND CLAIM

Members who have a Mental Health Treatment Plan under Medicare and have used up all the sessions under their Medicare entitlements in a calendar year may be entitled to claim higher psychology benefits from HCF for psychology treatment received in the remainder of that calendar year.

The psychology treatment must be certified by a medical practitioner or HCF recognised psychologist as being necessary and ongoing. The psychology treatment must be provided by an HCF recognised psychologist who is treating you as a private patient. You must not be eligible for Medicare benefits for the psychology treatment. If you're uncertain about Medicare entitlements for psychology, talk to your GP or call Medicare on **13 20 11**.

If you're claiming psychology services and have NOT participated in a Medicare Mental Health Treatment Plan in this calendar year, you DO NOT need to complete this form. You can make your claim through the HCF My Membership App, by logging in to online member services at hcf.com.au/members or at an HCF branch.

Please submit this completed form along with receipts or accounts for payment.
